*"Mycosorb is cheaper
than the cost of a
mycotoxin problem"*

Mark Lewis,
Dairy Farmer

Transform

your herd's performance

Alltech 37+® detects 54 individual mycotoxins

Mycosorb A® is proven to address the multi-mycotoxin challenge, including *Penicillium* toxins, the most common toxin detected in forages and TMRs*

Improve milk yield

Reduce somatic cell count

Support animal immunity

Contact us on 01780 764512 to find out more about Mycosorb A® and our full suite of Mycotoxin Management tools.

*Based on results of Alltech 37+ mycotoxin testing

Alltech.com/uk

EXPLANATION OF ABBREVIATIONS AND SYMBOLS

The following abbreviations: ACC- Average Cell Count; LCC- Latest Cell Count; AI- Artificially Inseminated; HC- Heifer Calf; ET- Embryo Transplant; LC- Last Calf; S- Served; sx - Sexed Semen

ENTRY TO SALE PREMISES

All visitors please note that entry to the sale site is at your own risk. No liability whatsoever can be accepted by the vendors or the Auctioneers.

ANIMAL WELFARE

All purchasers please be aware of the implementation of EU Welfare in transport Regulation (EC) No 1/2005 - when hauling livestock.

PAYMENT

Payment must be made in full to the Auctioneers on the sale day. No lots may be removed from the sale premises without an auctioneers pass confirming payment.

Prospective purchasers who have not traded with the auctioneers before are requested to make themselves known prior to commencement of the sale and confirm arrangements of payment.

AGENCY BIDDING

Any customer at the sale bidding as an Agent on behalf of a third party is deemed by the auctioneers to be the purchaser and subject to the terms of the conditions of sale, unless written authority from the person(s) on whose behalf they are bidding is presented to the auctioneers before the sale commences

Telephone Bids: Please note that any potential buyer wishing to bid over the telephone must register with the auctioneers before the sale.

Terms: All purchasers please note that accounts must be settled at the close of the sale.

BREEDING GUARANTEE

All cows and heifers that are stated in the catalogue of sale to have been served not less than ten weeks before the date of sale, or to have been running with a bull between dates (the later of which is not less than ten weeks before the sale) will be guaranteed by the vendor to be in calf either to the date or one of the dates of service if more than one is stated, or to a service between stated running dates and to the bull stated in the catalogue of sale unless any alteration is announced by the Auctioneers at the time of the sale. Should any animal prove not to be in calf, any claim under this guarantee must be made to the auctioneer in writing within 7 weeks of the date of sale. Should any animal which is declared to be in calf prove not to be in calf to the date or one of the dates of service or to some date within the running period or periods or to the bull stated as above any claim must similarly be made immediately any evidence in support of such a claim is available and in any case not later than 28 days after the date on which the animal was due to calve according to the date or dates in the catalogue of sale.

UDDER WARRANTY

Unless otherwise stated or announced, any cow in calf or in milk or any heifer in milk at the time of the sale shall carry a guarantee that she is sound in udder and teats at the time of sale, but no claim under such guarantee can be entertained unless made to the Auctioneers within an hour of the close of the last lot except in the case of Herd Dispersal Sales or Breeders' Home Sales when the guarantee period is extended to two hours after the close of the sale of the last lot. If the Auctioneers are satisfied that the udder is not sound, then the sale, at the discretion of the vendor, may either be cancelled or an adjustment in the price paid agreed between vendor and purchaser.

NOTE - At Herd Dispersal or Home Breeders' Sales the Vendor must provide adequate facilities for udders to be inspected and for adequate milking facilities to be available for the Purchaser in accordance with the warranty.

KIVELLS DAIRY DEPARTMENT

EXETER LIVESTOCK CENTRE HOLSWORTHY LIVESTOCK MARKET

Wherever you are based in the UK, if you are considering selling consignments of dairy cattle or contemplating a complete herd dispersal sale, we would be pleased to speak with you in complete confidence.

We have the ability to conduct on-farm sales of dairy cattle anywhere in the UK or move the dairy cattle to our modern markets at either Exeter or Holsworthy. Both situated in the heartland of southwest dairy farming with access to buyers throughout the UK and Ireland. We also have a large Private Treaty register.

Kivells can provide:

- Excellent lairage, feeding & milking facilities for herds up to 800 head.
- Haulage can be arranged to and from market from all corners of the UK.
- Specialist, experienced and dedicated dairy cattle auctioneers.
- An experienced team of cattle fitters to clip, wash, shampoo and prepare the cattle for sale.
- An extensive and active database of pedigree and commercial dairy buyers throughout the UK and Ireland.
- Online bidding is available for **ALL** dairy sales via MartEye with **over 2,500 active bidders**.
- Comprehensive advertising and over 23,000 followers on Facebook.
- Weekly catalogues produced and posted for all dairy sales with a dedicated dairy cattle administrative team.
- Nationwide fieldsmen service to view cattle for sale.

Please call in complete confidence:

Dairy Auctioneers:

Mark Bromell - 07966 430001 or Mark Davis - 07773 371774

CONDITIONS OF SALE

1. The biddings to be regulated by the Auctioneers, in terms of 'guinea' bids and multiples thereof, each guinea to be equivalent to 105 new pence (£1.05); if any dispute should arise, the lot in dispute to be put up again and resold, or the Auctioneers may determine the dispute at their discretion and their decision shall be final. The Auctioneers reserve the right to refuse the bid of any person without being called upon to give a reason for such action.
2. The Purchaser to give his name and dwelling place and pay for all lots at the close of sale. No lot or lots shall be removed from the sale premises until paid for, and pass-out slip obtained from the Auctioneer's clerk.
3. Notwithstanding the foregoing and the following Condition 4 each and every lot shall immediately at the fall of the hammer be considered as delivered and be and remain in every respect at the absolute risk and expense of the respective Purchaser or Purchasers thereof and shall be removed from the sale at the Purchaser's expense within a week of the sale.
- 4.1. If any lot or animal (s) is not paid for in cash under Condition 2 above but payments is made by cheque or other form of negotiable instrument then the animal(s) shall remain the sole and absolute property of the Vendor as legal and equitable owner until such time as all money due to the Vendor has been paid by the Purchaser, Payment shall unless otherwise agreed be made to the Auctioneers and shall not be deemed to have been paid until any cheque or other negotiable instrument has been cleared by the Auctioneers Bankers and the following further provisions contained in Condition 4 shall apply.
- 4.2. The Purchaser acknowledges that he is in possession of the animal(s) as bailee for the Vendor until such time as the animal(s) has been paid for or pursuant to the provisions of Condition 4.1.
- 4.3. The Purchaser undertakes to house any animal on his premises separately from his own and those of any other person and in such a manner which makes them readily identifiable as the Vendor's.
- 4.4. The Purchaser's right to possession of such animal(s) shall cease if he does anything or fails to do anything which could entitle a receiver to take possession of the animal(s) or which would entitle any person to present a petition for the winding up of the Purchaser.
- 4.5. The Vendor or the Auctioneers may for the purpose of the examination or recovery of animals enter upon any premises where they are housed or where they are reasonably thought to be housed.
- 4.6. If the Purchaser shall sell on the animal(s) the entire proceeds shall be held in trust for the Vendor and shall not be mingled with any other money paid into any overdrawn bank account and shall at all times be identifiable as the Vendor's money.
- 4.7. The Purchaser warrants that he is not at the time of entering into any agreement to purchase the animal(s) insolvent and knows of no circumstances which would entitle any creditor to appoint a receiver or to petition for winding up or to exercise any rights over and against the purchaser's assets.
- 4.8. Without prejudice to any other to any right or remedy of the Vendor or the Auctioneers of the Purchaser shall be in breach of any of the conditions set out in this Condition 4 or any of the other conditions herein contained the Vendor or the Auctioneers shall have power to resell the lots retaining any surplus and charging any deficiency or expense to the defaulter or Purchaser.
5. All statements in the catalogue or made by the Auctioneers at the time of the sale, also the identification of the animals, are the entire responsibility of the Vendor. The Auctioneers take no personal responsibility for the correctness of any such statement or identities.
6. All statements made either in the catalogue or any made by the Auctioneers at the time of the sale relating to Tuberculin or any tests to be taken as statements of fact only. No such statement shall guarantee the Purchasers of any animals against loss arising through subsequent reaction of such animal to any test administered after the sale and the Vendors shall not be liable in any way should this occur.
7. Neither the Vendor nor the Auctioneers will be responsible for any accident through fire or any other cause whatsoever, nor for any damage done by animals prior to, during or after the sale.
